

Lesson Requirements Checklist:

- Rider Release Signed
- Review Riding Packages and Policies Sheet
- Beginning Riders are required to wear a helmet and it is highly recommended that you purchase your own.
- If desired, keeping in mind accidents can always occur, advanced riders, riding western, may with a signed release form not wear a helmet. This is a highly controversial subject that you must consider the risks and decide what is best for you.
- All riders must wear a riding boot or riding shoe with heal.
- Above all else, safety comes first. At all times in the barn and around the horses, students must remember to act with safety for themselves and all the animals in mind

Specific goals you have for you or your child in taking riding lessons: (for example learn to show, increase coordination, attention span, physical strength, learn to be a better friend or something your child struggles with such as ADD, etc.)

I have read and agree with all of the above, (please address any concerns if any on the back of this sheet):
